A circular hole punch is located in the center of the page, slightly below the horizontal midline. The hole is clean and circular, with a dark, possibly metal, ring visible around its edge. The paper is off-white and shows signs of aging, including faint smudges and a slightly textured surface. The hole is positioned such that it is centered horizontally but slightly lower than the vertical center of the page.

Description

Date January 1st. 1886

[Faint, illegible handwriting or text, possibly a signature or title, located below the stamp.]

Note by Ernest Hesseltine, Secretary.

Assigning this Mark to " F.M.Davis " is undoubtedly an error. Frank Mark Davis has his Mark recorded in this Book (No.1.) Page 75.

*This Mark (Page 48) is probably the Mark of Comp. Amos Frances Davis. (Member No. 154.)
